

Homeschool Academy Policies

1. No Shows

If your child does not attend an event for which he/she is registered, please notify us immediately so that others can be registered to attend. If you fail to notify us and your child is a *no-show*, your child will not be allowed to register for the next Homeschool Academy event.

2. Registrations

Each child should be registered by his/her parent or guardian. All releases must be acknowledged by a legal parent or guardian only.

3. Refunds

Registration for each Homeschool Academy session is \$5 per child. This fee is nonrefundable.

4. Groups

During these events, we divide children into two (or more) groups according to their ages. If you have two or more children in different groups that you do not want to be separated, the older child(ren) will need to join the younger group.
